

**Aries:** You'll be able to keep that flood of emotion under control. The planet is giving you the determination to turn your personal Feelings into reality and lay down lasting foundation for your relationships, in love and attractions.

**Taurus:** You could have some vivid images coming into your mind. Don't worry, you're not hallucinating! If you've been thinking about putting your romantic situation on a firmer footing, you'll find a way.

**Gemini:** You'll be in an affectionate mood, ready to be close and intimate with your special someone. Creativity and appreciation of your surroundings may be enhanced. You'll be especially entertaining to your Love interest.

**Cancer:** You've got a lot on your mind and you can't wait to share it all. Make yourself comfortable, enjoy something, but try to avoid over optimism in risk-taking and overindulgence.

*Leo:* Love, desire, and passion for your love partner could have you thinking about - fantasizing for the two of you.. In your love life you'll be choosing "pleasure à la carte," rather than the "traditional menu."

*Virgo:* You may separate emotionally from others escaping into your own private world. Think about your fundamental values before you act. Be compassionate, yet realistic.

*Libra:* There are some that are trying to disentangle themselves from you, but others are quite happy to be under your spell. Your thoughts and feelings will be strongly influenced by your past memories.

*Scorpio:* Waves of intense and passionate love may pass through you. You may want to declare your feelings loudly to the world. With enough positive thought and action, these dreams could eventually come true.

*Sagittarius: You feel bold and aggressive tending to be impulsive and much more of a risk-taker. If some of your circle are long on small talk and short on substance, you may start to crave something deeper.*

*Capricorn: You're usually the soul of diplomacy. The words "team player" make your heart sing, since you love to have peace and harmony in all your associations. Strong feelings of love and enjoyment of life should dominate.*

*Aquarius: Your mind is alert, events stimulate love, ideas, interest and you may need to move about more than usual. Worries give rise to hope as reassuring conversations take place between you and your beloved.*

*Pisces: Thoughts and communication may be influenced by your moods and love, you may want to discuss your feelings. There are plenty of things happening in your emotional life. It's anything but dull..*
