

♈ Aries 2019

You could find out that you are the object of a secret crush. You'll be ready to invest in something that will increase your standard of living. You may get good news that you will be earning more or that the bank is willing to lend you money. You might also meet someone who changes your life!

♉ Taurus 2019

The current aspect suggests that you could grow closer on several levels, and get to know each other better, as well. Out the next time you dream up something big. It's a good time for teamwork. Someone else is the key to your success -- but it is still your success!

♊ Gemini 2019

Healing is likely to work well from now on. Do you need to get some more exercise? Now is a great time to get started and to make sure that you are ready for whatever. Service and volunteering are on your mind right now, so you may find that it's easier than usual to slip into a do-good routine.

♋ Cancer 2019

Communication should be going well between you and your current love interest, but that won't be enough for you. You could feel like soaking up some creative vibes. Maybe you will want to see movies that you've been eager to check out. It could provide you with some beautiful creative visions.

♌ Leo 2019

Domestic projects that favour change may be blessed with good fortune. You might even find yourself making plans for a domestic situation. There may be a reunion, and it looks like it will be a very special one. Your optimism is high and you are confident around other people. Expectations tend to win through.

♍ Virgo 2019

Meetings, negotiations, communications and travel are often associated with this particular period. Your hot ideas are much more likely to be taken seriously, so make sure that you're talking to all the right people. Any negotiations or new studies you begin should work out well. Contacts through short distance travel is also likely.

♎ Libra 2019

You have the luck to gain the critical mass and momentum to sustain your own growth in finance. Financial issues are on your mind -- but the trend is positive! This is the perfect time to brainstorm and to come up with a profitable plan. Do some research, and work together. It may be a good time to start a collection.

♏ Scorpio 2019

The future has arrived, so try to be in the present, and experience every moment. It's the perfect time to draw up a list of goals, even if it's exactly what everyone else around you is doing. You've got a vision for what you want out of life -- and you've got the power to make that vision come to life.

♐ Sagittarius 2019

Offer one compromise after another until one is accepted -- it's up to you to settle this once and for all. If you want to feel better, just take a time-out and find a space that feels more low-key and comfortable to you. It is a clear indication that the situation is out of synch and that you will not be able to make a new start unless you can clarify certain points.

♑ Capricorn 2019

A gathering is going to help create beneficial changes in your life. You need to get with a group of friends -- or maybe colleagues -- in order to celebrate your cohesion. Don't be surprised if you bump into all sorts of people, who are interesting and attractive, and whom will fit nicely into this dynamic and joyful atmosphere.

♒ Aquarius 2019

In your professional life, don't hesitate to knock on new doors and try new opportunities. Your popularity increases, your superiors are noticing you, and openings present themselves. There can be no doubt that your career is taking a turn for the better.

♓ Pisces 2019

You always enjoy picking up new skills, so this could be a good time for learning. Your altruistic side is coming out -- so make sure that you're out in the world, where you can do some good! It's a good time for you to push yourself to new heights and to achieve more than you had once thought possible. Follow your curiosity into some new adventures.
